## TRANSPORTATION CONTRACT (Page 2)

### VEHICLE CLEANLINESS & SMOKING

All vehicles are 100% non-smoking. Failure for any passenger to abide by this rule will make the client liable for a \$200.00 cleaning fee, NO EXCEPTIONS. Vehicle cleanliness is the responsibility of the client. Food is generally not allowed inside the vehicles. A \$200.00 to \$500.00 cleaning fee may be imposed for trash, excessive spills, vomit, & other bodily fluids. Any physical damage done to the vehicle by the group is the responsibility of the client and may result in an assessment for repair, replacement, labor, and lost business. Broken/missing glassware will be charged \$15 each.

### ADDITIONAL INFORMATION

Limo Party DFW offers late model, luxury vehicles equipped with high-tech amenities. All vehicles are meticulously maintained and serviced to prevent breakdown. Power technical equipment and mechanical components are always subject to temporary failure as any vehicle due to heat, excessive use, and conditions beyond our control. Any failure of this type will have no effect on the continuation of the contracted charter. In the event of vehicle breakdown or other circumstances, Limo Party DFW reserves the right to substitute equipment of equal or greater value, and/or the services of an affiliate carrier to perform contracted service. If the replacement vehicle is of lesser value, your contract will be adjusted for the hours substituted at the discretion of Limo Party DFW. If services are substituted, with a like vehicle in size/capacity, there will be no refund of the original charter or discounts given. Any time that was incurred in getting a replacement vehicle or any time that was lost can and will be added to the end of the reservation at no additional cost. However, any non-use of hours contracted will not be refunded.

Our chauffeurs are professionals who drive for a living; however, DFW is a large Metroplex and there are many areas in the Metroplex that a driver might not be 100% familiar with. On the same note, our chauffeurs leave our shop with more than enough time to get to any scheduled reservation. However, there may be times that a driver may get stuck in unusual traffic patterns or may be late to pickup due to traffic or directional issues. While this does not happen often, and we strive to be at every pickup at least 15 minutes early, some unavoidable circumstances may and do arise on occasion. If, in the event that our chauffeur and limo are late to your pickup, we will make up the difference at the end of the reservation and will extend the reservation for however many minutes we were late to picking up your party, at no additional cost and without refund or discount. If you refuse to use the additional time, we, at our discretion, may refund ONLY the amount of time pro-rated that our driver was late.

Limo Party DFW will not be responsible for injuries that occur due to "horse-playing" while the vehicle is in motion or at standstill. Clients or passengers not following chauffeur's requests as they relate to safety and the rules of this contract may result in early termination of charter without refund. An adult chaperone is required for groups of children under the age of 16. Party buses have dancing poles. The weight limit is 185lbs max on the strip poles, we are not responsible for any accidents using the dancing pole.

**The stated passenger capacity of the vehicle must not be exceeded at any time.**

Please remove any valuables from the vehicle when unattended. Limo Party DFW will not be held liable for client's lost, stolen, left behind after charter, or damaged personal valuables. All entertainment, including but not limited to CDs, DVDs, VHS tapes and more is to be provided by the client.
